

1st - 12th Grade Required Summer Reading **2022- 2023**

We are all excited for the end of the year, but many students regress when they take two months off from school. Students who do not read over the summer are two years behind their peers!

To help you be more prepared for your Reading and English Language Arts class next year, you will need to read the book or novel assigned for your grade (the one you are entering) and complete the summer assignment before the first day of school. Even if you have read the book in the past, you will need to reread it to complete the work. Remember if your book has been made into a movie, you will *definitely* need to read the book because we all know the movies leave out so much that the book is always better.

This assignment will be the first grade you will receive, so do your best. Please read and follow all directions carefully, and make sure all work is your own.
