

Trinity Summer Camp 2022

Dear Parents,

Thank you for entrusting your children to our care. We truly appreciate you!

Our camp is off to a great start. Here are a few notes for your consideration:

Snack/Lunch/Water

- We are providing a morning and afternoon snack for your child. These are not full meals, so please plan accordingly. You may provide extra snack if you wish, or your child may purchase a snack from the Snack Bar for up to \$1.50 per snack.
- Lunch is catered by Crave-It (please see attached menu for June). As we are utilizing a catering service for our lunches, we must provide a count by 9 am each morning. If your child will arrive after the 9 am cut off time, please be sure to provide your child's lunch for that day.
- Be sure to send your child with a water bottle, labeled with their full name. We have water bottle re-filling stations and ice to keep their waters cold.

Outdoor time

- The children will have outdoor time daily, weather permitting. During these hot days, outdoor time will be limited to the mornings, and the children will bring their water bottles with them. Our counselors will help the children apply sunscreen as needed.
- For any water activity days, your child will also need water shoes and appropriate swim wear. Required swim attire for boys includes swim shirt/t-shirt and swim trunks. Required swim attire for girls are one-piece suits. Swim shirts/T-shirts are preferred over their suits.

Field Trips

- Field trip locations and days are listed on the summer camp calendars that you should have already received. If you have not received one, please ask one of the counselors for a calendar.
- We are looking into renting a bus and hiring a driver for transportation

Should you have questions, please feel free to contact Camp Director, Rachel Danielson at Rachel.danielson@tca-sa.com.

Sincerely,
TCA Summer Camp Team
